Autumn Vegetable Patch

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

Plant your own garden, in stitches!

This charming cross stitch pattern by Perrette Samouiloff is just like walking around a well tended vegetable patch. Each plant has been lovingly rendered in cross stitch, up to the tiniest roots.

Creative Poppy tips:

- What to have even more fun? Why don't you rearrange elements around and create your very own rows of vegetable.
- Once you're done stitching, save your chart for later. You can create very cute fridge magnets or pot holders using elements of the motif.
