## **Hedgehog towel series - design for Bath towel**

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

This is the Bath towel size in this cute series of matching bathroom towels with a Flower and Hedgehog theme. There are 3 towels sizes in total (Bath, Hand and Guest towels each sold separately) as well as an alphabet and mini motif for customizing the towels and other small pieces.

Free pattern: The ABC and minimotif comes free with any purchase of a towel size pattern.

You can stitch these designs on standard Ready-to-stitch Terry towel items. Alternatively, you can stitch the pattern on a piece of Aida or Aida band, and apply them afterwards on regular towels (the back of the stitching will be hidden with this method).

The towels used here (see photos) are from the DMC Ready-to-stitch range (not available in the US and certain other countries). Refer to size of chart below for using on other brands of Ready-to-Stitch towels. The pattern will look great on a pale green or white background.
