Description:

Needlework Christmas ornaments (7 motifs)

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

Here are some lovely and very versatile mini Christmas motifs that can be used either:

- for making needlework accessories such as scissor cases, scissor fobs and bicornu shaped pin cushions

and

- for making 2 different shapes of Christmas ornaments: a larger cone-shaped ornament to fill with sweets and a smaller square cushion shape.

The pattern includes 7 different motifs to cross stitch (3 large and 4 smaller squares) as well as detailed instructions for mounting either the scissor case or the cone-shaped ornament. These patterns are also ideal for making bicornus.

While the patterns are quite small, they are rich in detail, with a combination of Cross stitch, Backstitch, French knots and some lighter [Three-quarter cross stitches](#) that are used in contrast with the full cross stitches
