Frost in the forest

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

The cold has now set in and the forest turned to frosty white. Come in search for branches of berries, the two children are delighted by the sight. They contemplate in awe this white world. A curious fawn comes to meet them.

In this sweet cross stitch design, Perrette Samouiloff emphasizes the contrast between the white frosty forest and the bright colors of the surrounding birds, children and fawn.
