CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

Here's Getting dressed, Perrette Samouloff's cute cross stitch design featuring toddlers and small children trying to get their gloves, boots and other winter clothes on, eager to go out and play. The pattern includes the names of the clothes, as if the children were singing along.

There's a pretty border at the top of the design, with a colorful series of boots, weathers and wooly hats and gloves. The pattern is essentially cross stitch with a touch of backstitch and is quick and easy to complete.

You can stitch this piece on a natural linen color background but it would be equally nice on a blue/grey fabric, or even white.

The stitched piece will be perfect for a toddlers room.
