Gone fishing (large pattern)

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

Look at these children having a happy time at the seaside. They are fishing for every possible kind of fish, some for lobster, others for shrimp. Two more children are spreading out fish nets while yet another boy has just caught a big fish with his fishing rod.

The patterns is a blue monochrome, stitched in a beautiful deep blue from the DMC Color variations range which will give delicate nuances to your stitching.

Designer Perrette Samouiloff makes an expert use of stitches (in particular a number of [three-quarter stitches](#) (in combination with cross stitch and backstitch) to render the detail of each fish, and of the light playing on their scales.

The pattern shown here is is the larger version. The designer also offers a [smaller chart](#) if you have less time for stitching.
