Happy childhood - Christmas time  
COUNTED CROSS STITCH CHART DESIGNED BY PERRETTE SAMOUILOFF

This is a series of patterns with Perrette Samouloff' delightful children's characters, **the "Happy Childhood" Collection**. Each pattern shows little boys and girls at play and covers a different theme, in this case Christmas time.

The design can be stitched as it is - it would look very pretty framed or could make a cushion. However, you could also stitch the little scenes independently: this would work particularly well on cards, terry towels, children's bags, baby bibs and so much more. Don't forget you could also use waste canvas and stitch those cute characters on a jacket, a tea-shirt or any textile item you fancy.
