Description:

Happy childhood collection:
Up in the mountain (large pattern)

Let's go camping and hiking in the mountain! Well equipped with hiking shoes and camping gear, this delightful group of boys and girls goes off to explore the mountains, watch the animals, gather berries, pick flowers and enjoy camp life and the fresh open air.

This pattern looks great as it is, however, you might want to stitch the elements individually on a sweatshirt using waste canvas to guide your cross-stitching.

This pattern is also available in a smaller format if you don't have enough time to stitch the larger pattern.
