Happy childhood collection - Winter
COUNTED CROSS STITCH CHART

NEW!

this is one of the first in a new series of patterns with Perrette Samouiloff' delightful children's characters, the "Happy Childhood" Collection. Each pattern includes 20 little boys and girls at play and covers a different theme, in this case the Winter season.

The design can be stitched as it is - it would look very pretty framed or could make a cushion. However, you could also stitch the little scenes independently: this would work particularly well on cards, terry towels, children's bags, baby bibs and so much more. Don't forget you could also use waste canvas and stitch those cute characters on a jacket, a tea-shirt or any textile item you fancy.
