Description:

Here comes the rain!

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

Here comes the rain and the children are going to have fun!

Who said rainy days were gloomy days? Perrette Samouiloff proves her point with some boys and girls happy to go out, fighting the wind and splashing about in the rain.

This pattern is also available in a slightly different version that includes a popular children's rhyme: "[Rain, rain, go away, come again another day](#)".

Another great cross stitch pattern from the Happy Childhood Collection - a series of patterns depicting children having fun in various different occasions and seasons, by Perrette Samouiloff.
