CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

Designer Perrette Samouiloff excels in creating the most cheerful Christmas designs. Picture this wreath pattern featuring three playful little elves with red bonnets and folk-like garb. Two of them are holding heart and star shaped ornaments hanging on strings from a kind of fishing rod. The third elf stretches out her arms towards garlands of holly. In the center, the word Noël is spelt out in gothic letters. These motifs all gently combine with the outer frame, an ornamental design with arabesques intertwined with geometric floral and star shapes.

A master of color, the designer combines four different reds to achieve the vibrant color effects, together with detail in soft undertones. The cross stitch pattern is perfectly round and will fit into a 12 inch / 30cm hoop for framing. Surround with a garland of green leaves and proudly display in a prominent place in your home.
