CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

120 years. What a long journey in terms of style and comfort from the mountain outfits worn by women at the beginning of the 20th century, when they set out to climb the peaks, ski down slopes or skate across frozen lakes. Certainly outfits became more practical over time, allowing women more freedom of movement, but style was always there, as captured by Perrette Samouiloff in this exquisite cross-stitch chart.

The pattern will be particularly pleasant to stitch by the fire place, on a winter evening.

A cross stitch pattern by Perrette Samouiloff.
