## Mother and baby animals (large pattern)

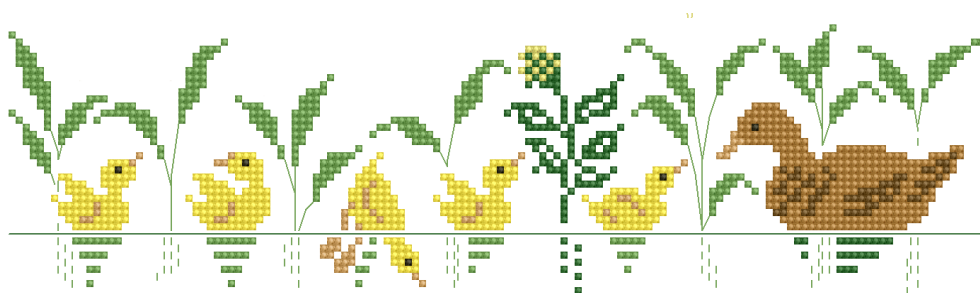

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

There are some new arrivals at the farm: cute little ducklings learning to swim under the watchful eye of mother duck, then there are some newborn kids, lambs and even a baby donkey still shaky on its legs!

Each of the mother/baby motifs can be stitched individually.

We particularly love the theme of the duck and ducklings, sneaking through the rushes, with the intrepid

little one plunging its head under water. This frieze-shaped pattern lends itself to many projects, such as a bib or a bath towel for example.

A cross stitch pattern by **Perrette Samouiloff**.
