**Description:**

Red sampler calendar

COUNTED CROSS STITCH CHART BY **PERRETTE SAMOUILOFF**

A delightful border pattern that takes you from month to month, through the year. Each season is illustrated by **Perrette Samouiloff's** favorite themes such as birds picking into cherries, butterflies and dragonflies buzzing in the flowers or delicate branches of hazelnut and fruit.

Stitching tip: This monochrome can be stitched in solid red on raw linen. But you could also play with the colors, picking a matching range of colors for each season. It would look very nice using overdyed or light multicolor threads.

Finishing:

You could also stitch the piece in 4 sections (each border pattern separately) and turn the project into 4 pictures that you rotate with each season.
