Red Robin and Snow Wreath

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Perrette Samouiloff**

A little girl walks with her dog in the fresh snow. She does not notice the little robin, perched on the branch above her.

Perrette Samouiloff have a keen sense of observation of nature and it shows in the quality of her cross stitch designs. The choice of colors is also very interesting, with a play of contrast between the winter branches, stylized in white, and the scene played out before our eyes, all in warm colors.

The cross stitch pattern worked on natural 28ct linen can be mounted in an 8 inch embroidery hoop or a square frame of the same size. You can also mount the embroidery in the center of a cushion cover displayed during the holiday season. Form a frame with matching fabric around the stitched piece, as you would a patchwork border.

The red robin cross stitch pattern is similar in style and size with the [Blue tits \(Chickadees\)](#) pattern. Why not stitch them as a pair.
