**Description:**

[Santa is really busy! \(large pattern\)](#)

Let's peep into Santa's workshop: Here he is, hammer and all, building a doll's chair. There he is, needle in hand, sewing up a puppet. Numerous toys are piling up in the workshop but he's still working non-stop to make all the children happy on Christmas day!

This is a delightful pattern to stitch as Xmas approaches. There are so many cute details that each little corner of the stitched piece is another surprise. Kids will love watching over your shoulder as yet another toy appears as you stitch. You will treasure this piece, year after year as children, nieces and nephews, grandchildren and neighbour's kids discover every marvellous detail of Santa's workshop.

If you don't have enough time to stitch this piece, there is also a [smaller pattern](#) available.
