4 Spring Card Motifs

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

Brought to you by Perrette Samouloff these exquisite cross stitch motifs are evocative of vintage greeting cards. Each subject is treated with great delicacy, and often with humor, such as the little girl emerging from a giant Easter egg, surrounded by spring flowers, or the newborn lamb wobbling on its legs.

If you stitch on 28 count linen, the most common needlework fabric size, the stitched piece will be just under 4 x 6 inch (10 x 15cm). It can be framed, or mounted on a card.

The patterns are worked on natural linen fabric. The chart includes a few three-quarters of cross stitches, worked in a single strand, a process that the designer uses to create effects of transparency and volume.

There are 2 additional series in the same collection, [4 Easter Motifs](#) and [3 Easter motifs](#).
