Recognize the feeling?

Perrette Samouiloff knows what she is talking about. We love the way the threads seem to unravel and the beautiful lace-like patterns come apart as the stitcher becomes entangled in her threads.

A sweet and decorative cross stitch pattern that will surely find its place close to the place where you stitch, be it on a cushion cover, the lid of a sewing box or simply framed on the wall.

Creative Poppy suggests: stitch this monochrome pattern on any background and any color you fancy. Overdyed or variegated embroidery floss will work wonders.

A cross stitch pattern by **Perrette Samouiloff**.
