Teddy & Me

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

There are so many adventures for a child to share with his teddy bear!

The two of them are inseparable, whatever they are up to: going on a hike, riding a tricycle, playing the trumpet or riding a horse. This beautiful friendship is lovingly captured and illustrated in stitches by Perrette Samouiloff.

The cross stitch motif will easily find its place in a children's room, or on many a project for a toddler (baby bib, bathrobe, bed cover, pyjama case).

As there are only 4 colors in this chart: a bright pink and a light, medium and darker red, you can easily substitute colors. Do not hesitate to personalize the color of the threads, to pair it with another gift or to match the project with the child's room.

The cross stitch chart includes both the English text : "Teddy and Me" and the original French text "Mon nounours et moi", so you have the choice of stitching in either language.
