Teddies & Toddlers collection
COUNTED CROSS STITCH CHART

You'll just love stitching the brand new Teddies & Toddlers collection. This one is the first in a new series of baby patterns by Perrette Samouiloff. Now in addition to her delightful little girls and little boys characters, you can stitch lovable babies playing with teddy.

This pattern features the activities of Baby and Teddy at different times of day. It's designed in a lovely range of natural colors, all creams and whites and soft browns. The design can be stitched as it is - it would look very pretty framed or could make a cushion. However, you could also stitch the little scenes independently: this would work particularly well on cards, gift tags, door plaques, terry towels, bags, baby bibs and so much more. Don't forget you could also use waste canvas and stitch those cute characters on a jacket, a tea-shirt or any textile item you fancy. Includes an alphabet and pretty borders so you can personalize your stitching.
