CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

If you're looking for something really different to commemorate Christmas in cross stitch, here's the superb Three Kings by Perrette Samouiloff.

In the Christian tradition, the three kings from the Orient - or three wise men - are indeed the magi who follow the Star of Bethlehem and find newborn Jesus laid in a manger. Their arrival is celebrated as ephiphany

This is an extremely decorative pattern and beautiful piece to stitch. The cross stitch chart features the 3 wise men, beautifully clad in their ornate cloaks, each bearing their gifts of gold, incense and myrrh. The mens clothes are beautifully detailed with rich velvety tones of red and gold.

The chart comes with a choice of two layouts:

- an ornamental banner version with each king standing individually within an ornamental border.
- a more compact version only featuring the kings, as a group.
