Description:

The wedding (large pattern)

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

This pattern is full of exquisite details that are a delight to stitch. Bride and groom are surrounded by delightful children on their best behaviour. The English version of the chart includes the words "love and happiness" which you can also substitute with the name of the newlyweds.

You can stitch the pattern in it's original layout, embellished with flower garlands. Perrette Samouiloff has however also included an alphabet as well as example of an alternative composition (see picture on right). As each element of the design is independant, it is easy to compose your very own piece and add the names and date of the wedding. You can also use some of the patterns to decorate cards or the wedding table.

A design by Perrette Samouiloff.
