Birds and Words - Wedding / Anniversary Sampler

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY RIVERDRIFT HOUSE

In the designer's own words:

“Soft neutrals for a fun wedding sampler on my ‘Birds and Words’ theme. The asymmetric side borders are intentional, to give a feeling of antique charm to offset against the modern mixed-font theme. You could easily swap the blue and lilac to suit the chosen wedding theme if preferred, retaining all the neutral shades as used in the original.

This would also stitch into a fun sampler to celebrate a special wedding anniversary.”

Creative Poppy says:

Check it out in detail, nothing is missing in this pretty celebratory sampler of the wedding day: the bells and cake, the rings and diamond, the lace dress and veil, the music and confetti, the flowers and champagne, the vows and the speeches, the bridesmaids and the best man, all filled with romance, joy, kisses and love.

The sampler is designed to be customized with the initials of the newly-wed as well as the date of the wedding. A chart with alphabet and numbers is provided with the cross stitch pattern.

The sampler is large but and easy stitch with only full cross stitches and most of the motifs in solid block colors.
