In the designer's own words:

“This small design sits within a modernised traditional sampler border to hang in a porch or hallway, to welcome friends and family to your home.

The motif content was inspired by Snowhill Manor and its lovely garden in the English Cotswolds, where the cat and doves reside. The antique keys are part of the amazing collection the National Trust has there for visitors to enjoy.”

Creative Poppy says:

In lovely hues of orange and pink, this pattern is a quick and fun stitch, a perfect gift for someone moving homes.
