Home is where the Heart is

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY RIVERDRIFT HOUSE

In the designer's own words:

“A favourite traditional theme, I used a soft spring colour palette to design a sampler that finishes with a delicate modern border design to contain the more opulent floral surround. A little dove and cat sit in the garden to watch over this lovely home, the text (part pictorial for ‘heart’) is light and fresh so the finished sampler will suit a contemporary, as well as a more traditional, home.”

Creative Poppy says:

The text "Home is where the (heart symbol) is" is stitched discreetly in the background, almost as if the colors had faded, so one only becomes aware of it as one looks closer at the stitching.

Display your needlework proudly in the entrance hall of your home to welcome visitors and family into your house. The square design can be framed for wall hanging or mounted as a cushion pillow and set against the back of a chair.
