CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY RIVERDRIFT HOUSE

**In the designer's own words:**

“This quirky little design is full of traditional sampler content, with a big house (often the school) in the centre, surrounded by peacocks, birds, hearts, tree motifs, alphabet and numerals. The repeating border has a little border within, which I added to bring it more up-to-date. The rich coral, purple and conker brown shades are given a fresh, modern look with the addition of two tones of paler blue.”

**Creative Poppy says:**

The cross stitch sampler is rich in detail, traditional with a modern touch. We love the way the peacock feathers are beautifully spread out on both sides creating an effect of movement and delicate balance.
