Love Heart (and Hope variation)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY RIVERDRIFT HOUSE

In the designer's own words:

“I call this design reverse-confetti - lots of little motifs sprinkled around, to leave the heart shape in plain fabric. Most of the motifs are repeating, so it is not as complicated to stitch as it might look.”

Creative Poppy says:

Even if you have limited time for cross stitch, or are frequently interrupted, this will be fun stitching, one colorful mini motif at a time on the fabric - until the project is completed and the heart shape design appears in the background.

Chart also includes the alternative “Hope Heart” variation, with the letters of the word Hope instead of Love.
