In the designer's own words:

“Here is one of the Folkies in her pretty garden, taking a break from the spring cleaning and enjoying all the flowers and blossom.

Creative Poppy says:

Full of cheerful motifs, flowers such as bluebells, daffodils and tulips, spring lambs and rabbits running around. We love the bright colors, that make you feel like taking a stroll yourself in the countryside on a sunny spring day.

Fast and fun to stitch, this miniature is part of a series with a mini sampler for each of the four seasons. See the whole collection below:
