Winter Mini Sampler

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY RIVERDRIFT HOUSE

In the designer's own words:

“After the snow, my Folkies lady is dressed up warmly to go outside and feed the tame garden birds. The children have been out building snowmen - I love to leave the white fabric unstitched to give the effect of snow, the motifs are spaced very slightly wider apart than usual - again, this gives more of an impression of a snowy landscape.

Creative Poppy says:

We love the colors of this sampler, the contrast between the cold blues and grey evocative of the freezing temperatures, and the red cheeks and heart expressing the warmth felt inside.

Fast and fun to stitch, this miniature is part of a series with a mini sampler for each of the four seasons. See the whole collection below:
