CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY RIVERDRIFT HOUSE

**In the designer's own words:**

My Swiss Folkies are surrounded by motifs to bring all the best of the summertime in Switzerland together. Mountains and forests, goats and cows, bells, flowers, flags and hearts are all there beside a chalet and the village church, with the trains going past below. I thought the cheese was fun to add as well.

**Creative Poppy says:**

The Folkies cross stitch pattern collection designed by Riverdrift House is a series of designs dedicated to different regions, this one featuring the people of Switzerland. In each pattern, a couple stands straight and dignified, wearing their beautifully detailed traditional folk costumes and proudly displaying their folk and homeland customs.
