## Romantic, romantic (photo frame)

COUNTED CROSS STITCH CHART BY CHOUETT'ALORS

Isn't it romantic to frame a photograph with a stitched border? Especially when the picture is black & white or sepia-colored. Most digital cameras will shoot pictures in those softer colors so you can even frame some of your most recent shots and give them a romantic touch.

A great gift if you've been invited to a wedding!

Note: the pattern is a chart only. Does not include mounting instructions.

A design by Chouett'alors.
