Falling leaves

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Samanthapurdyneedlecraft

I'm resting in the little park kiosk, taking a break after going to the dog run.

Oh, notice how the leaves are turning to gold. Slowly detaching from the trees, still in full glory and perfect shapes. Remember when we were kids, we used to collect them.

Soon winter will come, they will dry and crush, but for now, let's enjoy the moment. It's a perfect autumn day.

Simple life, simple joys, such as watching the leaves turn to gold and start falling from the trees depicted in cross stitch by Samantha Purdy.
