**Hen in the House**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Samantha Purdy

A chart full of tenderness and humor, capturing one of those special moments of life:

dinner is getting ready on the stove and suddenly, surprise, a hen trots into the kitchen just escaped from the henhouse.

**Creative Poppy says:**

We like the use of colors and the way both both the hen and the character getting the dinner are featured in white with a touch of red (crest and cap).

There is much detail in its simplicity: the stove, the towel drying, the little red enamelled saucepan, the cooking herbs in a pot on a shelf above.

Simple life, simple joys, depicted in cross stitch by Samantha Purdy.
