Preparing Plants

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Samanthapurdyneedlecraft

I love to potter about in the garden on a balmy day.

The seedlings in the shed have grown, they are ready to plant now.

Let's put them out on the roof where they will get plenty of light.

Simple life, simple joys, such as taking the seedlings out of the shed and planting them in the garden, depicted in cross stitch by Samantha Purdy.
