CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY [Samantha Purdy](#)

Three cats are on their guard, observing us.  
Hens cackle, oblivious to their surroundings. The rooster keeps a watchful eye.

The Polar bear has spotted a fish.

A squirrel leaps from tree to tree.

A fox is on the watch, in the woods.

A fat goose walks around, muffled in her blue cap and red scarf.

These small animal motifs, in a very pure and contemporary style, can be stitched individually drawstring bags, pouches, mini cushions (see photos). Each individual animal pattern will fit into a 6" square or hoop.

Alternatively, you can cross stitch the entire chart combining all of the animal motifs.

Creative Poppy says:

we like the simplicity of the motifs, the evocation of trees, of a few tufts of grass ... with the emphasis on the essence of the subject: the animal.

Simple life, simple joys, depicted in cross stitch by [Samantha Purdy](#).
