Winter Snowflakes

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Samanthapurdyneedlecraft

It is hardly late, but it's night-time already.

Days are getting shorter and shorter.

My shopping is done, and I'm on my way back, all bundled up in my coat.

I love watching the white flakes fall, knowing that in a few moments I'll be toasty warm at home.

The cat is waiting for me on the window sill.

It is going to snow all night, there is already a good layer.

Simple life, simple joys, such as coming home at night, your day done, and knowing you'll soon be nice and warm at home, depicted in cross stitch by Samantha Purdy.
