Baby Girl Tree

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Shannon Christine Designs

A baby is born, plant a tree... Or rather get out needles and threads!

Celebrate the birth of a baby girl by cross stitching this tree silhouette embellished with pink bunting and filled with a thousand mini motifs: little girl dress, princess crown, ribbon, baby layette, rattle but also dolls, stroller and beloved stuffed animals.

The cross stitch pattern is stitched on raw linen embroidery fabric, in dominant pinks with bright yellow accents. It is embellished with white seed beads.

A lowercase and uppercase alphabet chart, as well as numbers, is included with the sampler, allowing you to customize the name and date of birth of the baby.

A matching pattern is available for a [Baby Boy](#).
