CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Shannon Christine Designs**

Ready to dance and party ...

With her salmon pink satin dress, her long pearl necklace, her emerald jewelry, and hair raised in a feather head-set, she must be the highlight of the evening.

Imagine jazz music in the background, large doors open on a summer garden, Charleston dancers... The Roaring Twenties are in full swing.

The portrait is framed with pretty art deco motifs in the corners. The cross stitch pattern is very detailed, with seed-beads, gold metallic thread, and beautiful color effects (satin fabric, emerald jewelry).

The embroidery, both decorative and elegant, is perfect for a bedroom or a French boudoir corner.
