Deer Snow Globe

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Shannon Christine Designs

Part of a series of Christmas patterns featuring Snow globes with tiny Christmas landscapes and designed by Shannon Christine Wasilieff. See below right: you can stitch several designs in a row if you want a larger piece. The Snow globe glass cases come in different shapes.

This Snow Globe features a deer in the snow, standing in front of a Christmas Tree.

The transparency of the glass is beautifully rendered, in a mix of cross stitch, half stitch and beads. Snow flakes appear in the background against the light grey fabric.
