CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Shannon Christine Designs

A gingerbread-like house with a red roof, a red truck loaded with Christmas trees, a fir tree standing tall, snowflakes falling and covering the ground. Exciting times ahead!

Framed with a red checkered ribbon, this cute little banner shaped design features the words:

"I'll be Home for Christmas" in white curvy and fun lettering.

The design is full crosstitch with some backstitch used only for the lettering.

The piece can be stitched on medium dark fabric. Raw linen or dark natural linen would also be suitable. The vertical shape of the design makes it perfect for a Christmas banner. Adjust the fabric count according to the desired final size of your project (see fabric calculator below).
