CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Shannon Christine Designs

Santa Claus is making his way in the snow, in large strides, while little robins keep him company. He is hauling a large brown bag full of toys. Santa's got a happy look on his face as if looking forward to see how delighted children will be after his passage.

This portrait by Shannon Christine is exquisitely detailed. Santa's face has a kind expression, his heavy coat is richly adorned, revealing multiple layers of fabric. Additional beading details add to the rich texture of the stitched piece.
