Midnight Rose

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Shannon Christine Designs

Here's Midnight Rose, Shannon Christine Designs's delightful portrait of a young woman in a rose garden.

The cross stitch design shows the young lady wearing an elaborate long dress. Her ample skirt is in light purple satin and embroidered with gold motifs. By contrast, the tight-waisted bodice she is wearing is made of dark velvet and richly adorned. Her long hair is held up by a gold tiara and she is wearing gold and red ruby jewelry. She has fitted a freshly picked rose onto her dress.

In the background an arch of the rosegarden can be seen, as well as the stars and moon shining in the night (they are made of beads).

This cross stitch piece is richly adorned with golden threads and numerous beads in several colors and sizes (5 in total). The chart is very helpful as it comes both in a full color version as well as in a second version where the cross stitch is in Black and white in the background and the beadwork appears in color.
