CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Shannon Christine Designs**

Get out your stash of trinkets and charms, beads and buttons, old locket or even bits of broken jewelry. Once you've cross stitched this cute little piece you'll enjoy making it truly unique, adding the embellishments of your choice.

Designed like a needlework memory board, the cross stitch pattern combines cute and romantic elements: a flower, a precious key, a bit of lace, a feather, letters for the word Love... Perfect for Valentine's day, weddings, anniversaries or just any occasions to express your love and happiness.

With practical aspects in mind, **Shannon Christine** designed the piece so it perfectly fits a standard 5 by 7" frame. However this piece will also be perfect for making a scrapbook cover or decorating a box filled with

wedding or other happy occasion memorabilia.
