CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Shannon Christine Designs

Lost in her thoughts, a graceful fairy strikes a ballet pose. Her diaphanous wings are almost invisible in the background. The eye focuses on the pretty face and the richly embellished tutu and bodice.

Seed beads and golden threads add both glitter and detail to this intricate cross stitch pattern. The chart is provided both in color and in black and white with color detail for the beads and backstitch which makes them extra clear to read.

This is the second portrait of a ballerina by Shannon Christine. Check out her Snow Queen below. The two would make a perfect pair to display side by side.
