CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY K's Studio

Hang this cheerful piece in your house every spring to greet family and guests with a whiff of spring air.

This design by K's studio is inspired by the poetic image of the wind blowing away the pretty blossoms, as if it were snowing white petals. Below is the word Welcome, stitched using the same flowers and petals.

This is an easy and straightforward stitch involving only cross stitches, in three colors of embroidery floss. Make sure you pick a pretty needlework fabric, preferably linen or evenweave. The designer picked a light blue background but also suggests pink or mauve, so you can adapt the color to your home deco.

This cross stitch design calls for a simple finish, with the stitched piece either wrapped around a padded board, or inserted into a white shadow-box.
