Florabella - giant biscornu cushion

COUNTED CROSS STITCH CHART BY TAM'S CREATIONS

Tam's Creations has done it again!

After coming up with the HUGE IDEA of a [Biggie Biscornu](#), here is another of these fabulous cushions.

It's big yet quick to stitch because the designer has chosen a **6ct Aida fabric** that's very quick to cover. The chart only measures 150 x 150 stitches so it doesn't take any longer than stitching a medium size project. It's real easy too because it's only cross stitches stitched using all 6 strands of floss. You will need a piece of 6ct Aida at least 30 x 30" in size.

A fun idea: as an option, Tam suggests you substitute as she did the pink floss used for the rose in the center of the design with **DMC Rose Scented Floss** From the **DMC Secret Perfume range**. You'll enjoy the delicate frarance of the flower scented floss as you stitch along!

Tam used a lace border for the sides of the cushion that reinforces the romantic feel. The back of the cushion is in a matching pink fabric. You can download and print the designers free [instructions for making a biscornu with contrasting material](#).
