Funky pencil case

COUNTED CROSS STITCH CHART BY TAM'S CREATIONS

Have fun cross stitching with multicolor threads. This "funky" pencil case pattern is stitched with two bright multicolor overdyed floss from the Threadworx range. One varies from light to darker blue (Mediterranean blue) and the other is as bright as a rainbow (Bradley's balloons). Overdyed metallics and seed beads are also used to enhance the design.

Designer Tam's Creations recommends stitching some elements diagonally to achieve a variety of visual effects. The little geometric motifs are designed to enhance the different hues of the floss. The borders and sides of the case are embellished with fun fur yarn.

The chart includes detailed instructions for lining and mounting the pencil case
