Tam's Creations - Humminpatches (cross stitch pattern chart)

Humminpatches

COUNTED CROSS STITCH CHART BY TAM'S CREATIONS

Here is the hummingbird in Tam's Creations wonderful cross stitch series with animals "in patches". Each design is a delicate mosaik of tiny colorful patterns fitted next to each other. Look at the big picture and you see a graceful hummingbird. Look closer at the stitches and you will see a combination of flowers, birds and feathers.

The color range is exquisite with a dominant blue contrasting with a selection of 16 different colors of DMC Variations floss range, each of these threads combining 4 different hues. Do the maths: that's 65 colors in total, no wonder it looks so great!

Humminpatches was stitched on Marble Aida from the DMC Needlework fabric range.

Once you're done, you want to stitch the next! We suggest you pair it with the flamingo (see below).
