BLACKWORK CHART BY TAM'S CREATIONS

While this Blackwork pattern includes a few cross stitches and satin stitches, it's mostly backstitch with an incredible variety of motifs. Tam's Creations charts are extra large and easy to follow. If you're looking for a little challenge, here you go!

The stitched piece featured here used a combination of two colors from the Caron collection. You can stitch the pattern in any monochrome color (variegated and overdyed threads will look good) or alternatively pick sections to stitch in your own choice of colors. There are so many different motifs, the finished piece will be truly unique.

A design by Tam's Creations.
