BLACKWORK CHART BY TAM'S CREATIONS

An exceptional Blackwork design with dense parts contrasting with lighter ones and creating stunning visual effects. Tam's Creations, the designer, who specializes in Blackwork patterns, combines an interesting array of backstitch motifs, some of them outlining the lighter starshape figures, others by contrast "filled in" to achieve the opposite effect. Note: there is no cross stitch involved in this pattern. All effects are blackwork stitches resulting in an exceptionally crisp outline.

If you have already given Blackwork a try and are looking for a more challenging project, this is the pattern for you!
 The piece is quite a good size and ideal for a cushion cover.

A design by Tam's Creations.
